

# Multi-Stage Amplifier P2 Data Collection

Table 1: Multi-Stage Peaking Frequency Response Data.

|                   |             |               |                 |           |
|-------------------|-------------|---------------|-----------------|-----------|
|                   | $FC_{HIGH}$ | $C_{EP}$      | $FCH_{EP}$      | $Imp.(K)$ |
| <i>Calculated</i> |             |               |                 |           |
| <i>Measured</i>   |             |               |                 |           |
|                   | $FC_{HIGH}$ | $L_{ShuntP}$  | $FCH_{ShuntP}$  | $Imp.(K)$ |
| <i>Calculated</i> |             |               |                 |           |
| <i>Measured</i>   |             |               |                 |           |
|                   | $FC_{HIGH}$ | $L_{SeriesP}$ | $FCH_{SeriesP}$ | $Imp.(K)$ |
| <i>Calculated</i> |             |               |                 |           |
| <i>Measured</i>   |             |               |                 |           |
