

RCET 2253

Clinical Assistant Professor

Timothy Leishman

# *Switching Transistors & Multivibrator*

## Check-Off Sheet

Name:

Start Date:

| Check-Offs                                            | Date | Instr. Int. |
|-------------------------------------------------------|------|-------------|
| <i>Switching Transistors</i>                          |      |             |
| <i>Bipolar Junction Transistor Astable Improved</i>   |      |             |
| <i>Bipolar Junction Transistor Astable Extreme DC</i> |      |             |
| <i>Schmitt Trigger Inverter Astable Multivibrator</i> |      |             |
| <i>555 Timer Multivibrator</i>                        |      |             |
| <i>Monostable Multivibrators Integrated Circuits</i>  |      |             |
